EXPERIENCE

CODESOFT | Front End Developer Intern
Aug 2023 – Sep 2023
- Participated in pre-project analysis and technical assessments to validate creation of user-friendly interface

CODECLAUSE | Front End Developer Intern
Jun 2023 – Jul 2023
- Demonstrated expertise in HTML5, CSS3object-orientated JavaScript and large JavaScript applications

GIRLSCRIPT WINTER OF CONTRIBUTING | Open Source Contributor & Team Leader
Sep 2021 – Nov 2021
- I served as a dedicated open-source contributor in front-end development and DSA, actively enhancing user interfaces and collaborating with the community. Additionally, I assumed the role of team leader, guiding and inspiring my colleagues to deliver high-quality results in our collective pursuit of innovative and impactful projects.

EDUCATION

AKGEC, GHAZIABAD | B.Tech in Computer Science with Specialization in Data Science
Final year student graduating in 2024

THE AIR FORCE SCHOOL, NEW DELHI | Completed my 12th standard with an aggregate of 92.5

ACHIEVEMENTS

• Secured the runner-up position in the Smart India Hackathon 2023
• Secured the highest rank in my academic stream for Data Structures and Algorithms
• Secured a spot at the National Athletics Championship in 2022
• Served as the Sports Captain in both college and school

PROJECTS

PORTFOLIO WEBSITE# | Portfolio Website created using react
Explore my personal website powered by React, where I've seamlessly integrated components for dynamic user interaction. With a sleek UI design, this site not only highlights my skills but also employs React's efficiency for smooth navigation and an enhanced user experience.

QUICK NOTE# | QuickNote is a notes taking app created using react
Introducing a dynamic notes-taking app crafted with React, seamlessly blending a user-friendly interface with efficient functionality, providing a modern and responsive platform for organizing and capturing thoughts effortlessly.
